LPN to ADN Bridge Program

The LPN to ADN Bridge Program will prepare a LPN to graduate with the Associate in Applied Science in Nursing Degree and be eligible to apply to the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

The Associate Degree Nursing curriculum is organized around a clearly defined conceptual framework, which combines general education and nursing education. The nursing education courses correlate classroom and clinical instruction in a variety of community agencies. Nursing students must possess the desire to serve others and demonstrate the highest degree of integrity.
